ONLINE CONFIDENTIALITY NOTICE

To my clients:

By choosing to use the convenience of ONLINE (Email, Skype, FaceTime, Google Chat/Hangout) communication with me, you understand and agree to the following: The use of online communication may pose risks to the confidentiality of your health information. The Internet is an open network and provides no inherent protection for confidential information. While my internet, email and computer are password protected, I can not guarantee 100% protection. You accept these risks. You must contact me by telephone or in person about critical or time-sensitive issues. There will be times when I will not have access to e-mail. Be sure to contact my office by telephone (484-894-1246) when necessary.

Currently, Skype, Google Chat/Hangout, and FaceTime are not HIPAA compliant. There is no inherent protection for confidential information when utilizing online communication. Please view your HIPAA Privacy Practice Notice for more information on HIPAA compliance.

By signing this form you are agreeing to the risks of online communication.
